

Note: When the Hokuriku Shinkansen started operating between Kanazawa and Nagano, the Kanazawa⇄Naoetsu section of the Hokuriku main line was handed over to a 3rd-sector (public-private) company for operation.

Legend Except for JR-West lines, only major lines are shown.

	(Shinkansen)		(Conventional Lines)		Station Names		Boundary stations of JR-West
			JR-East		indicates stations operated by other companies)		Primary 3rd Sectors
			JR-Central	Note: "Primary 3rd sectors" indicates companies whose trains may enter JR-West lines, as well as companies that manage lines removed from JR's management when the Hokuriku Shinkansen started service to Kanazawa.			
			JR-Kyushu		ICOCA area		
			JR-Shikoku	Note: ICOCA can be used at only some of the stations between Bitchū-Takahashi Station and Hōki-Daisen Station, and between Kainan Station and Shingū Station.			
				Note: The information is current as of June 1, 2019.
