How to use a green ticket vending machine to get an e-ticket you have reserved online.

Select the language you wish to use.
* The initial display is in Japanese.

Select “Receive reserved ticket(s)”.
* The screen may be different.

Select “EXCHANGE ORDER (E-TICKET)”.
* The screen may be different.

Swipe the QR code you were issued when you made your reservation, or enter the reservation number.

Enter the date you will start using the ticket.

Confirm the conditions of use (passport, entry visa, etc.).

Confirm that you accept the purpose for which your personal information will be used.

Swipe the passport page with your photograph on it.
* A passport with an IC chip is required for this. If your passport does not have an IC chip, please go to the ticket office.

Your ticket will be issued. Please take it from the machine.
