NOTICE OF THE 33RD ORDINARY GENERAL MEETING OF SHAREHOLDERS

To Our Shareholders:

We should like to extend our heartfelt gratitude for your continued understanding of business operations of JR-West Group(the "Group").

The Group very seriously takes its responsibility for the train accident on the Fukuchiyama Line we caused on April 25, 2005 and the gravity of its consequences, and placing the safety of railway operations, its core business, as the highest priority issue, has continued to steadily implement various measures listed in the "JR-West Group Railway Safety Think-and-Act Plan 2022", which forms the core component of the "JR-West Group Medium-Term Management Plan 2022" (the "Medium-Term Management Plan 2022").

Furthermore, the Group has implemented various measures to "increase regional value", "increase railway belt value" and "increase business value" listed in the Medium-Term Management Plan 2022 as a social infrastructure business group. In the future, placing emphasis on the synergistic effects to be produced by the alliance of the areas of the Business Development business centering on the railway business, the Group will endeavor to increase its enterprise value.

In the meantime, the business environment surrounding the Group unprecedentedly remains extremely severe on the financial front due to a substantial decrease in the customers' usage caused by the spread of the novel coronavirus infection disease.

Under such environment, the Group, with its four fundamental policies of committing itself to its mission as a social infrastructure enterprise, protecting the safety of customers and employees, protecting the jobs of employees and protecting supply chains, will make strenuous efforts to overcome the difficulty on the basis of safety and security.

In consideration of the drastic change in its business environment, the Group will review the current Medium-Term Management Plan 2022 from the perspective of the provision of new values by taking into consideration the prioritized areas of business, business portfolio, allocation of management assets and behavioral transformation, among other things, with the basic policy of safety and security.

In addition, in consideration of the current extremely severe conditions, the Group, while committed to securing the safety of the railway, will conduct a necessary review to reduce cash out, while it will promote measures that may result in enhancing its enterprise value in the future, including the development of the Umekita (Osaka) underground station and the major terminal stations of Osaka, Sannomiya and Hiroshima, by carefully examining the business environment.

With regard to returns payable to our shareholders, we have planned to pay dividends of 190 yen per share for the fiscal year under review, in comparison with 175 yen per share for the previous fiscal year. However, due to the novel coronavirus infection disease, our business results has substantially fallen below our forecasts, to our great regret, we are forced to propose

year-end dividends of 87.5 yen per share, or annually 182.5 yen per share. During the fiscal year under review, we acquired and cancelled 1,146,900 shares of common stock of the Company.

The business forecast and dividend forecast for the fiscal year ending March 31, 2021 have not yet been determined because revenue trends in the future are extremely uncertain due to the spread of the novel coronavirus infection disease. In the future, when it becomes possible to make such forecasts, we will promptly release the same.

We cordially request our shareholders to understand the situation of the Group and afford continued support.

Kazuaki Hasegawa
President and Representative Director

- (Notes) 1. Candidate Mr. Yoshinobu Tsutsui has held the office of Chairman of the Board and Representative Director of Nippon Life Insurance Company and the Company has transaction relations with the insurance company. Each of the other Candidates has no special interest in the Company.
2. Candidates Messrs. Norihiko Saito, Hideo Miyahara, Hikaru Takagi and Yoshinobu Tsutsui and Ms. Haruko Nozaki are candidates for external director as provided for in Article 2, paragraph 3, item 7 of the Regulations to Enforce the Companies Act of Japan. Candidates Messrs. Norihiko Saito, Hideo Miyahara and Hikaru Takagi are External Directors of the Company currently in office. The years of service of Messrs. Norihiko Saito, Hideo Miyahara and Hikaru Takagi as External Directors will be eight years, seven years and two years, respectively, at the close of this General Meeting of Shareholders. Candidate Mr. Yoshinobu Tsutsui is an External Audit & Supervisory Board Member of the Company currently in office. The years of service of Mr. Yoshinobu Tsutsui as the External Audit & Supervisory Board Member will be five years at the close of this General Meeting of Shareholders.

3. The Company has registered Candidates Messrs. Norihiko Saito, Hideo Miyahara and Hikaru Takagi, each of whom has satisfied its "Criteria for Independence of External Officers" and the requirements for independent officers specified by the Tokyo Stock Exchange, as independent officers in accordance with the rules of each financial instruments exchange on which its shares are listed.
4. Candidates Mr. Yoshinobu Tsutsui and Ms. Haruko Nozaki have satisfied the "Criteria for Independence of External Officers" of the Company and the requirements for independent officers specified by the Tokyo Stock Exchange. If their election is approved, the Company will register them as independent officers in accordance with the rules of each financial instruments exchange on which its shares are listed.
Candidate Mr. Yoshinobu Tsutsui has held the office of Chairman of the Board and Representative Director of Nippon Life Insurance Company. However, the transaction amount between the insurance company and the Company for the most recent three fiscal years was less than 2% of their respective consolidated operating revenues and the amount of borrowings of the Company from the insurance company was less than 2% of their respective consolidated total assets. Additionally, the insurance company holds shares in the Company but its shareholding ratio for the most recent five fiscal years was less than 10% of the total issued shares of the Company. Therefore, the Company has judged that his independence as an External Director has fully been secured.
5. The Company proposes to elect each of Candidates Messrs. The Company proposes to elect each of Candidates Messrs. Hideo Miyahara and Hikaru Takagi as External Director to have his accumulated experience and expertise as an academic expert reflected in the management of the Company. Neither of them has been engaged in corporate management. However, for the aforementioned reasons, the Company has judged that each of them will properly perform the duties of an External Director.
6. The Company has entered into an agreement with each of Candidates for External Director Messrs. Norihiko Saito, Hideo Miyahara and Hikaru Takagi to limit his liabilities as provided for in Article 423, paragraph 1 of the Companies Act of Japan, to the amount as provided for in laws or ordinances. If the reelection of each of them is approved, the Company will maintain such agreement with each of them.
7. If Candidates Mr. Yoshinobu Tsutsui and Ms. Haruko Nozaki are elected, the Company will enter into an agreement with each of them to limit his/her liabilities as provided for in Article 423, paragraph 1 of the Companies Act of Japan, to the amount as provided for in laws or ordinances.
8. While Candidate Mr. Yoshinobu Tsutsui was serving Panasonic Corporation as an outside Director, Panasonic and its subsidiary in the United States, Panasonic Avionics Corporation ("PAC"), with regard to PAC's certain contracts with airline customers and the use of sales agents and consultants pertaining to such contracts, were investigated on suspicion of the violation of the United States Foreign Corrupt Practices Act and other securities laws. In May 2018, Panasonic and PAC agreed with the United States Securities and Exchange Commission and the United States Department of Justice to pay a penalty to the U.S. government and implement various measures to improve compliance. He was not aware of the fact. However, he, from the perspective of compliance with law, had been endeavored to perform his duties through the Board of Directors, among others to stop business execution in contravention of law. After the fact was made known, he performed his duties properly by instructing thorough investigations and measures to prevent the recurrence of similar cases and confirming the content of such measures.

Proposition No. 4: Election of three (3) Audit & Supervisory Board Members
