### **Regarding Certain Media Reports Today**

Some media outlets, including Japan Broadcasting Corporation (NHK), reported today that West Japan Railway Company (the “Company”) is considering a capital alliance with Resona Holdings, Inc.; however, these reports were not based on any official announcements made by the Company.

The Company is considering a capital and business alliance with such company; however, no decisions, including with respect to this matter, have been made at this time.

The Company will make a timely and appropriate announcement should any matters requiring disclosure be decided in the future.
