# More convenient to visit Kansai !

## 1. Umekoji-Kyotonishi station open

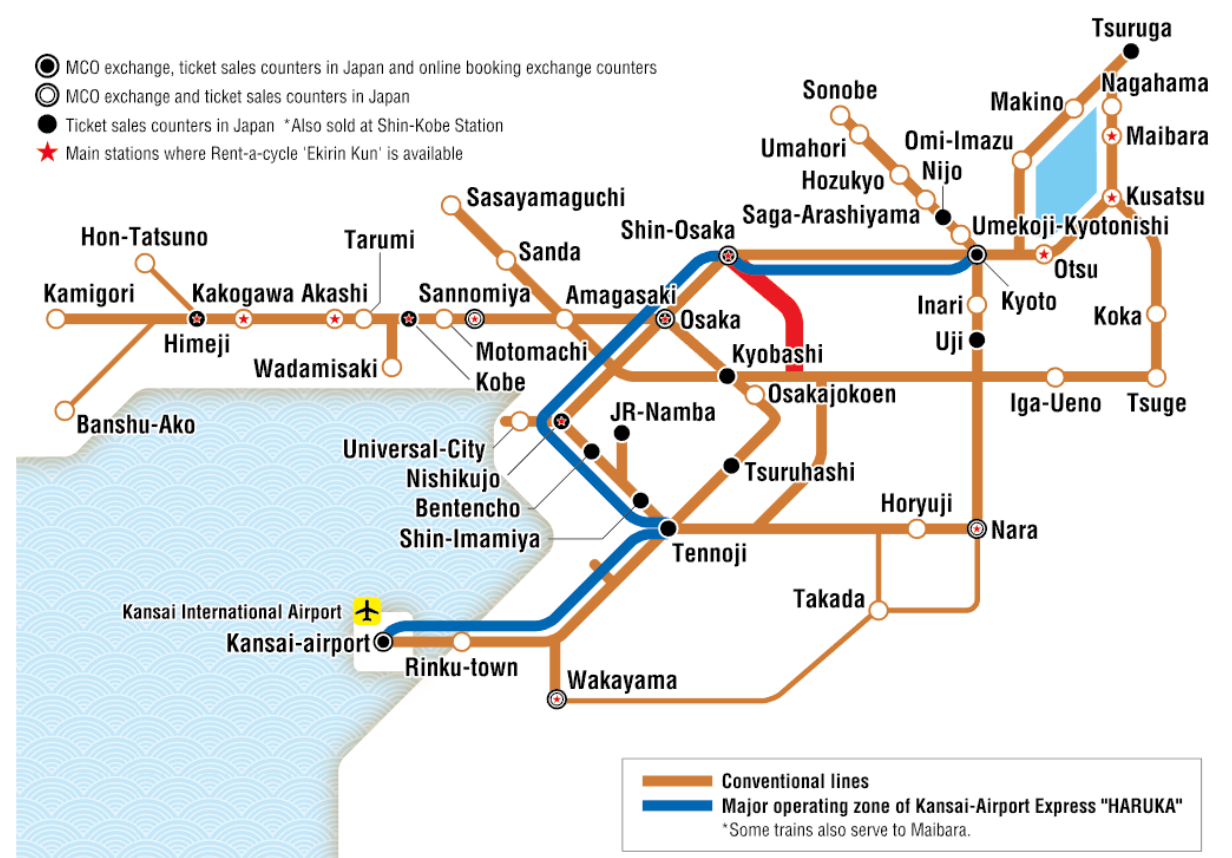

With the official opening of 「Umekoji-Kyotonishi」 station, ordinary trains operate 4 services per hour between Kyoto and Tambaguchi under Sagano Line. It becomes even more convenient to go to Kyoto Railway Museum and Kyoto Aquarium.

【Time required (standard day time)】  
3 min from Kyoto station  
14min from Saga-Arashiyama station

## 2. Osaka Higashi Line Shin-Osaka~Hanaten Service Start

With the new extension of Osaka Higashi Line between Shin-Osaka and Hanaten, 4 new stations are scheduled to open. Direct rapid service operates between Shinkansen key station Shin-Osaka and Nara (4 roundtrips per day).

※Hence, you could use the rail passes including Osaka Area for the above mentioned new section. For those who have already purchased the pass, you would have the same eligibility regards this matter.
