### Purchasing a rail pass

#### Purchasing Exchange Order through a Travel Agency outside Japan

Step 1. Purchase an exchange order (E-TICKET) at sales locations outside Japan.

- \* Once issued, the E-TICKET must be exchanged within 3 months.

Step 2. After entering in Japan, present the E-TICKET with passport at exchange locations and exchange for Tottori-Matsue Pass.

- \* The E-TICKET exchange locations: Kansai-airport Station, Shin-Osaka Station, Travel Service Center Shin-Osaka, Osaka Station, Tottori Station, Sakaiminato Station, Yonago Station, Matsue Station

- \* Receiving an E-TICKET: [Click here for details](#)

- \* The E-TICKET that could not be exchanged can be refunded at the overseas travel agency where the pass was originally purchased. (\* A separate handling fee will be applied.)

### Changes

- The starting date of the rail pass and the duration cannot be changed after purchasing.

### Refunds

- Refund location: only where a rail pass was issued or exchanged
- Refund price: the sale price minus a handling fee (10% of the price: Minimum 220 yen per one rail pass)
- No refund will be given after a rail pass starts to be used or expired
- No refund will be given due to non-availability of service, delays, or similar issues
- E-TICKET that could not be exchanged can be refunded at the overseas travel agency where the pass was originally purchased. (\*A separate handling fee will be applied.)

### Related information

- A rail pass is only valid for its rail pass holder only.
- A passport must be carried when a rail pass is used and presented when a JR staff asks to.
- A rail pass will not be reissued even if lost or stolen.
- Conditions of use for a rail pass are stipulated by JR-WEST's carriage conditions and laws of Japan.
- Conditions of use for an exchange order are stipulated by regulations and contracts of issuing companies.
- If any discrepancies arise between the foreign language and Japanese versions of the carriage conditions, the Japanese version has precedence.
- The information displayed (including prices) is current as of June 2022, and is subject to change.
