

First Kyoto Station, then Shin-Osaka Station, and now...  
**Introducing prepaid Japanese SIM cards available for travelers at Osaka Station!**

(JR Osaka Station, 1F)

After previously being available only at JR Kyoto Station and JR Shin-Osaka Station, Japanese SIM cards are now available at **JR Osaka Station**.

Enjoy reliable Internet access throughout Japan with 4G connectivity.

Choose from either the **2 GB Plan** or the **Unlimited Plan** to meet your specific needs.

Multilingual support is also available, making this an ideal choice for anyone looking to use a Japanese SIM card.
